

Khan Academy Missions

Start your mission this summer.....

You will be required to complete your Khan Academy Grade Level Mission this upcoming school year. The 4th and 5th grade teachers ask that each student starts and completes 15% of their grade level mission by Tuesday, September 5, 2017.

Teacher(s)	Grade in September	Due Date (First Day of School)	Progress/Percent Completed
Park	4 – 4 th Grade Mission	September 5, 2017	15%
Widlock	5 – Fifth Grade Mission	September 5, 2017	15%
<ul style="list-style-type: none"> Students will receive completion due dates for the entire school year the first week of school from Mrs. Park and Mrs. Widlock 			

- **Completion of required Mission Progress will result in quiz grades of 100% for each due date.**
- **There will be two Quiz grades given each quarter for Mission completion.**
- **Partial completion of progress will result in lower quiz grades.**

Figure Out Your Grade: Take your percent completed and divide it by the amount that needs to be completed by the due date. For example, on September 5^t, if completion is 12%, the quiz grade would be a B : $12/15 = 80\%$.

If you do more than the required amount, it will carry over to the next marking period. So, feel free to work ahead! ☺

Get Started:

Login to Khan Academy

- Go to Khanacademy.org
- Press the login button in the top right corner
- Login using GOOGLE
- Enter CPS email
- Select Grade Level Mission (4th grade student – 4th Grade Mission etc.)
- Work on skills regularly to reach 15% completion for the September 5th due date.
