

Khan Academy Missions

Start your mission this summer

You will be required to complete your Khan Academy Grade Level Mission this upcoming school year. The Middle School teachers ask that each student starts and completes 15% of their grade level mission by Tuesday, September 5, 2018.

Teacher(s)	Grade in September	Due Date (First Day of School)	Progress/Percent Completed
Martin - Trychta	6 - Sixth Grade Mission	September 4, 2018	15%
Trychta	7 - Seventh Grade Mission	September 4, 2018	15%
Martin	8 - Eighth Grade Mission	September 4, 2018	15%
Martin	8 th Grade Exit Group Algebra 1 Mission	September 4, 2018	15%

• Students will receive completion due dates for the entire school year the first week of school from Mrs. Martin and Ms. Trychta.

- **Completion of required Mission Progress will result in quiz grades of 100% for each due date.**
- **There will be two Quiz grades given each quarter for Mission completion.**

Partial completion of progress will result in lower quiz grades.

Figure Out Your Quiz Grade: Take your percent completed and divide it by the amount that needs to be completed by the due date. For example, on September 5th, if completion is 12%, the quiz grade would be a B : $12/15 = 80\%$.

If you do more than the required amount, it will carry over to the next marking period. So, feel free to work ahead! 😊
