

On behalf of the **Hitch Elementary School PTA**, welcome to Hitch!

Starting at a new school can be confusing and stressful for children and their families and we want to make the transition as easy for you as possible. As your new Family Ambassador I am here to help, answering any questions you have about programs, events, communications, anything!

I can also help you figure out how to get involved with the PTA and can connect you with volunteer opportunities. I look forward to supporting you throughout the school year!
