Power Rangers is the next progression after completing ROOKIE RANGERS. This class continues to cover skating at an intermediate level, as well as offering instruction on other skills of the game, including puckhandling, passing and shooting. We strongly encourage players who have joined a Rangers team to continue to work on their individual skill development by taking a Power Rangers class. **Pre-requisite: Minimum of one year of ROOKIE RANGERS and approval of instructor. Playing on a Rangers team is highly recommended. Players must provide their own full set of equipment.**
